CONTACT CRIME

Contact crime refers to crimes in which the victims themselves are the targets of violence or instances where the victims are in the vicinity of property that criminals target and are subjected to the use of or threats of violence by perpetrators.

They include the following crime categories:

- Murder
- Attempted murder
- Sexual Offences (i.e. rape, sexual assault, attempted sexual offences and contact sexual offences)
- Assault with intent to inflict grievous bodily harm
- Common assault
- Common robbery
- Robbery with aggravating circumstances

CONTACT-RELATED CRIME

Contact-Related Crime includes:

- Arson
- Malicious damage to property

The two crimes are closely related and involve damage to or the destruction of another person's property (often in order to punish such a person or entity) or to damage one's own property for the purpose of insurance claims.

PROPERTY-RELATED CRIME

Property-Related Crime refers to crimes during which tangible property of an individual or institution is taken by criminal elements without permission, and in the absence of the owner/custodian of such property.

This type of crime includes:

- Burglary at residential premises
- Burglary at non-residential premises
- Theft of motor vehicle and motor cycle
- Theft out of or from motor vehicle
- Stock theft

CRIME DETECTED AS A RESULT OF POLICE ACTION

Crime detected as a result of police action is usually not reported to the police, largely dependent on the deployment of law enforcement personnel and employment of intelligence. The crime is usually recorded after the apprehension of suspects in connection with following offences:

- Illegal possession of firearms and ammunition
- Drug-related crimes
- Driving under the influence of alcohol and/or drugs and
- Sexual offences detected as a result of police action
